Mr. Edmund Koo – CEO

N. Polymer International Pte. Ltd., Singapore is part of the Von Bundit Group. The company’s trading operations is independently managed and is among a network of affiliated companies in the business of trading and processing of natural rubber. N Polymer was established in 2007 as a professional commodities trading company that specializes in the rubber commodity business. Specifically, the company regularly handles the trading of multiple grades of natural rubber from Thailand, Malaysia, Indonesia, Vietnam and Africa, as well as synthetic rubber. The company currently targets regional markets as centers for research and analysis on tire and rubber markets, as well as marketing and risk management.
