

OUR CHEMICAL ENGINEERS ARE NOT FORMULA 1 DRIVERS BUT THEY DO HAVE THE SAME DRIVE.

When rubber races on tarmac, when strength grips the road and when determination is tempered by steel, there's always a starting point!

At NOCIL's sophisticated Manufacturing Plant for Rubber Chemicals, our men work round-the-clock to ensure the finest quality of products for Tire Manufacturers world over.

NOCIL has been accredited with ISO 9001-2000 for its Quality Management System, ISO 14001-2004 for its OHSAS 18001-1999 for Occupational Health and Safety Management System.

NOCIL's Range of Rubber Chemicals is supported by a worldwide network of representatives and a relentless obsession with Product Quality & Customer Satisfaction.

Because at NOCIL, our Engineers know that the last thing on which tires survive is Chance!
