**India Rubber Meet 2024 (IRM 2024)**, the seventh edition of India's largest rubber meet is scheduled at Hotel Kiranshree Grand in Guwahati, Assam on 23 and 24 February 2024. IRM is a biennial event organized by the stakeholder associations in the rubber sector under the leadership of the Rubber Board. India Rubber Meet is a meeting point for stakeholders in the rubber value chain, including growers, processors, dealers, product manufacturers, researchers, policymakers, government organizations, labour associations, banking institutions, media, etc. IRM is a common platform for sharing information, collective thinking and networking for the overall development of participants in the rubber value chain.

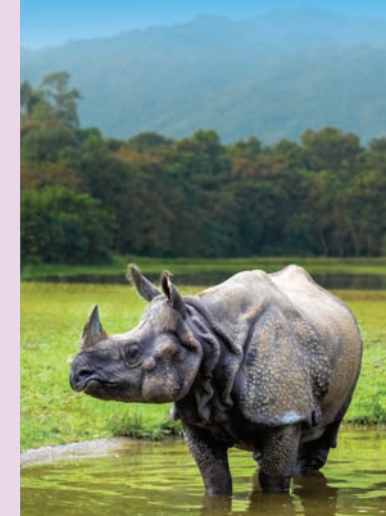

Indian rubber sector faces various challenges owing to different exogenous and endogenous factors. Previous editions of IRMs were successfully brought synergy among different stakeholders in tackling common issues.

Climate change and global warming throw new challenges to the rubber sector. The IRM provides an opportunity for the stakeholders to join together to formulate appropriate strategies to address the challenges. Discussions on 'Natural Rubber: Changing Landscape, Emerging Trends and Insights for Tomorrow', the theme for IRM 2024, are expected to enlighten the sector and provide insights on future perspectives of the rubber value chain. Invited talks, panel discussions and networking sessions in IRM 2024 propose to frame progressive strategies to address present and future challenges in the rubber sector.

### Invited Talks:

- ▶ Global and Indian NR Industry
- ▶ SR Industry
- ▶ Auto Tyre Industry
- ▶ Non-Tyre Industry
- ▶ Global and Indian Economy
- ▶ Commodity outlook
- ▶ NR and Sectoral Challenges
